Dear Chairman Simpson and Ranking Member Pingree,

I am requesting funding for the Mill Creek Restoration near Cricket Lane in Fiscal Year 2027. The entity to receive funding for this project is located at 3900 Euclid Avenue, Cleveland, Ohio, 44115.

The funding would be used to reduce erosion risks along a significant portion of the Mill Creek Watershed, a direct tributary of the Cuyahoga River. The project is an appropriate use of taxpayer funds, as it will mitigate flooding and stabilize the surrounding areas, protecting both infrastructure and nearby communities.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shontel M. Brown
Member of Congress
