Dear Chairman Womack and Ranking Member Clyburn,

I am requesting funding for the CLE Airway Runway 6R-24L Reconstruction in the fiscal year 2027. The entity to receive funding for this project is the Cleveland Hopkins International Airport, located at 5300 Riverside Drive, Cleveland, OH 44135.

The funding would be used for a full reconstruction of approximately 8,000 linear feet (LF) of Runway 6R-24L pavement and the associated infrastructure. . This is an appropriate use of taxpayer funds because it will ensure that the airport infrastructure is updated to current FAA design standards to ensure safe, reliable, long-term operations.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shontel M. Brown
Member of Congress
