Dear Chairman Womack and Ranking Member Clyburn,

I am requesting funding for the Lorain Avenue Corridor Project in the fiscal year 2027. The entity to receive funding for this project is the City of Cleveland, located at 601 Lakeside Avenue, Cleveland OH 44114.

The funding would be used to transform a portion of Lorain Avenue, a highly trafficked segment of the Cleveland Midway Network. The project is an appropriate use of taxpayer funds because it provides critical infrastructure support to a portion to a roadway that is located near essential services such as hospitals, schools, churches, and community access points.

The project has a federal nexus because the funding provided is for purposes authorized by section 133(b) of title 23, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shontel M. Brown
Member of Congress
