Dear Chairman Womack and Ranking Member Clyburn,

I am requesting funding for the Richmond Heights Municipal Fleet Fueling Infrastructure Modernization Project in the fiscal year 2027. The entity to receive funding for this project is the City of Richmond Heights, located at 26789 Highland Rd, Richmond Heights, Ohio 44143.

The funding would be used for modernizing critical municipal infrastructure that supports emergency response, public works operations, and school transportation services serving the Richmond Heights community. The project is an appropriate use of taxpayer funds because the City's fueling system serves as a centralized hub for Service Department vehicles, Police Department cruisers, Fire Department apparatus, and local school transportation fleets that support the daily safety and mobility of residents and students.

The project has a federal nexus because the funding provided is consistent with the purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shontel M. Brown
Member of Congress
