Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the University Heights Public Safety Infrastructure Project in the Fiscal Year 2027. The entity to receive funding for this project is the City of University Heights, located at 2300 Warrensville Center Road, University Heights, OH 44118.

The purpose of this project is to construct modern public safety facilities for the City of University Heights, Ohio. This is an appropriate use of taxpayer funds because it will improve emergency response capabilities to better protect residents and aid first responders in the communities they serve.

This project has a federal nexus because the funding provided is for the purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Shontel M. Brown
Member of Congress
